Homework revision

1) correct 2) wrong. Opener should rebid 2H NOT 3H

3) well it isn't how you would have bid it (you would have bid hearts then diamonds) but you can see that things have worked out quite well ! Now you raise to 4H after partner's checkback.

4) 3NT

5) (i) 18---19 (ii) 12-----17 (iii) 17/18

6) (i) she has long diamonds in a 6-9 pt hand. You pass.

(ii) she has long spades –you should pass.

7) Declarer is going to ruff this heart of course but it might be fun to make declarer ruff really high. We ruff with the Q sp. Hoping to get a trump promotion for partner's presumed Jack Sp with out uppercut. Remember the boxing glove ?

8) Win Ace diamonds; win Ace clubs; lead 2 diamonds to the 10 (wins); K clubs (discard a spade) ; Q clubs (discard a spade); Draw trumps.

“Very interesting I always draw trumps first (it's a little rule of mine don't cha kno) ?”
